

2nd Cornwall Spring Congress 2022

Rules

It is a condition of entry that players agree to abide by the following Congress rules.

1. The organisers reserve the right, without giving a reason, to transfer or refuse an entry.
2. All fees must be paid before play starts. Late entries at the venue are at the discretion of the organisers and subject to a compulsory first round bye.
3. ECF Standard play Grading Lists (January 2022) will be used to determine tournament and seeding.
4. Conversions from other rating systems and estimates for un-graded players will be decided by the organisers.
5. Seeded Swiss pairings will be made by Controllers using ECF rules or computer programs based on ECF or comparable rules.
6. Rate of play is all moves in 75 minutes per player with increments of 30 seconds from move 1.
7. Players arriving more than 30 minutes late for a round may be deemed to have lost by default unless the Controller can re-pair them satisfactorily. Players present whose opponents have not arrived must expect to be re-paired 30 minutes after the start of the round, where possible.
8. An ungraded player may not win a grading prize or any trophy in any section, nor a sum of money higher than the third prize in the Major or Minor.
9. If a player qualifies for more than one cash prize, he/she shall be paid the higher amount and the Congress Director will decide how most fairly any balance shall be re-distributed. Trophies will be awarded as soon as possible after all games have finished. Money prizes will be sent after the congress.

2nd Cornwall Spring Congress 2022

Rules

19. As it is not clear what the level and nature of the risk from Covid-19 will be nor what regulations, if any, will be in force at the start of the congress, the organisers reserve the right to require additional mitigations against Covid-19, such as the compulsory wearing of face masks in the tournament hall. The decision as to whether this will be required will be made shortly before the event according to the situation at the time.
