

CAMBORNE CHESS CLUB

GRAND PRIX 2023/24

Format

The competition consists of a number of the blitz and rapid play tournaments played at the club together with the club championship. Players accumulate points from each event throughout the season, positions and prizes being determined by the totals at the end of the season.

Eligibility

The event is open to all club members

Scoring

A player's score for an event is calculated using the formula $pw+k$ where p is the percentage score, w is a fixed multiple of 1,2 or 3 depending on the event (see list below) and k is a fixed addition of 20 for all participants in the event.
