## Rules

### Preamble

*These rules cannot cover all possible situations that may arise during the competition, nor can they regulate all administrative questions. The purpose of the competition is to promote friendly competition in a spirit of fair play. The organisers take the view that, where cases are not precisely regulated by a clause in these Rules, too detailed a rule or narrow an interpretation might produce an outcome that was not fair to all parties. When ruling on any doubtful point, or one not covered in these Rules, fairness must be the Controller's primary consideration. The organisers appeal to all team captains and competitors to accept this view.*

### Definitions

In these rules "the Cornwall team" refers to the "Cornwall" or "All Cornwall" team on lichess.org.

"lichess" means the website and chess-playing platform, lichess.org

"Rating list" means the Cornwall online rating list

"Cornwall online rating" means the rating published on the Cornwall Chess website ([www.cornwallchess.org.uk](http://www.cornwallchess.org.uk)). The order of priority is:

- i) ECF Online Standard rating (August list)
- ii) ECF OTB Standard rating (August list)
- iii) Estimate where none of the above applies
